

EHS VOLUNTEER DAY

**Food Bank of Northwest Louisiana
July 22, 2021**

TG Natural Resources donated over 1,750 pounds of food to the Food Bank of Northwest Louisiana. The Food Bank's vision is to ultimately end hunger in Northwest Louisiana by ensuring consolidated network of effective food collection and distribution which will provide universal access to food for the needy.

TGNR donated over 1,750 lbs. of food and packaged more than 2 tons of food into boxes for homebound seniors.

Due to COVID-19 and the lack of food drives from schools during the summer, the Food Bank was very low on food. The TGNR donation could not have come at a better time and was put to use the same day. The EHS team packed boxes with a variety of nutritious food to supplement homebound seniors in the community.
